

be technically optimized for Stryker while maintaining commonality with the long range design. The additional FY09 funding will allow insertion of reduced cost electronics and modifications to the radar for Stryker integration, as well as software and hardware development for system command and control, including the man-machine interface.

**Anticipated Sources of Funding:** APS development is funded under the FCS MGV budget line, but there is no dedicated funding to support APS development for Stryker in FY08 or FY09. The Army originally requested funding in FY08 for Stryker APS but has since reallocated the funding to support power management and the other upgrades Stryker needs to accommodate FCS Spin Outs. The Army is committed to funding APS for Stryker starting in the FY10 budget. Details of the FY10 funding will not be known until the Army finalizes its FY10–15 Future Years Defense Plan (FYDP).

**Matching Funds:** N/A.

**Justification for Use of Taxpayer Dollars:** This project aims to accelerate delivery of a validated military need intended to enhance protection of Army soldiers and vehicles. As a priority military initiative, this program will be funded through federal expenditures.

**Project Name:** Prepreg Thickness Variability Reduction Program.

**Requested by Congressman RALPH HALL (TX-4).**

**Total Requested funding FY09:** \$3.6 million.

**Justification of the use of federal funds:** This program will reduce the variability of Carbon fiber prepreg, the raw material that provides the basis for strong, durable, light-weight composite aircraft structures. It is predominantly used by the Air Force, Navy, Marine Corps and the airline industry to fabricate aircraft structures such as wing skins. A major impediment to assembling composite aircraft structural components is the dimensional mismatch of composite parts which may produce rough edges, overlays, or gaps between parts. Much of this mismatch is due to variations that occur in component manufacturing. Funding has been applied to efforts to reduce variation in component manufacturing by the Air Force and the prime contractors. Unfortunately, funds have not been directed towards efforts to reduce variation by refining the raw material—carbon fiber prepreg. Lower prepreg variation will avoid the purchase of costly precision machining equipment by program partners, estimated at \$80 million, to mitigate surface and component part deviations. Federal funding is justified in this effort to reducing the variability of prepreg to help the Joint Strike Fighter program and others meet the goal of reducing the overall variability of composite parts. This is vital to reduce the weight of aircraft, as well as to promote optimal stealth capabilities.

**Detailed Budget for Variation Reduction Development Program:**

**Materials:** Resin and prepreg production, production trials, feedstock variations, customer shop trials, and packaging supplies—\$200K.

**Deliverables:** (1) Develop and demonstrate the necessary equipment and processes for production and (2) Document aerospace production control documents (PCD) for JSF Program technical approval and signature.

**Labor:** Scientist, technicians, mechanics, testing personnel, and production operators—\$300K.

**Deliverables:** (1) Direct the work to be done, optimize process, execute plan scale up work and (2) Ensure best practice sharing of manufacturing engineering development.

**Testing:** Fiber testing, production of composites, and testing of the composite coupons—\$1400K.

**Deliverables:** (1) Generate meaningful composite material data, demonstrating alignment to heritage mechanical test data bases and (2) Review data and correlate to end-use application.

**Overhead, Contract Management, Miscellaneous—\$100K.**

**Total Budget:** \$2000K.

#### EARMARK DECLARATION

**HON. ANDER CRENSHAW**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 22, 2008*

Mr. CRENSHAW. Madam Speaker, I rise today to submit documentation consistent with the new Republican Earmark Standards.

**Requesting Member:** Congressman ANDER CRENSHAW.

**Bill Number:** H.R. 5658—The Duncan Hunter National Defense Authorization Act for fiscal year 2009.

**Account:** Military Construction, Navy.

**Legal Name of Receiving Entity:** Naval Station Mayport.

**Address of Receiving Entity:** Mayport, Florida.

**Description of Request:** I have secured \$3,530,000 in authorization funding in H.R. 5658 in the Military Construction, Navy account for an Aircraft Refueling project at Naval Station Mayport, Florida.

This project will construct a two (2) outlet, 300gpm/outlet aircraft direct fueling system to include concrete foundations and slab on grade, 15,000 gallon double wall steel tanks (to be relocated from the existing truck fill stand), concrete containment berms, double walled underground piping, valves, pumps, pressure gauges, filter separators, leak detection monitors for piping and tanks, float switches, double wall steel product recovery tank, emergency shut off valves, fuel quality monitors, pipe vents, fire protection, pressure indicating transmitter and water drain off system. It would also construct underground double walled fuel transfer line from bulk storage to the direct fueling facility. The project will properly close, by abandoning in place, the existing underground fuel transfer line from the bulk storage to the existing truck fill stand. Closure will include pigging/purging the lines, grout injection of ends, core boring and soil sampling along the fuel transfer line, and submission of a Florida Department of Environmental Protection Closure Assessment Report.

In addition, this project will construct a 150 m2, single story building on a concrete slab on grade and concrete footings. The building and fuel lab will include vinyl floor tile, steel stud/gypsum wallboard walls, hollow core interior steel doors, solid core exterior steel doors, double glazed single hung windows, modified bitumen roofing, interior plumbing, electrical power and lighting wiring, data/communication wiring, fluorescent lighting fixtures, ceramic bathroom tile, HVAC system/distribution/controls and site utilities (electric, water, sanitary,

fiber optic communication/data). The project demolishes building 18 (32 m2) and the truck fill stand facility 142 (400 GM).

Naval Station Mayport is a strategic base for the Navy. This project was programmed to receive funding in Fiscal Year 2012, but was identified by the base commander as the highest unfunded priority in Fiscal Year 2009.

Military Construction projects are always 100 percent funded by the U.S. Federal government so there is no opportunity for matching funds.

HONORING MR. JOHN G. CARLSON  
AND DR. NGAI XUAN NGUYEN

**HON. DANA ROHRABACHER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, May 22, 2008*

Mr. ROHRABACHER. Madam Speaker, recently I was visited in my office by two great Americans who have for many years been leading our nation's moral effort against the government of Communist Vietnam: Mr. John G. Carlson and Dr. Ngai Xuan Nguyen. Whenever they come to town the bureaucrats in the State Department know that they will be asked some hard hitting questions and subjected to piercing scrutiny regarding the Administration's Vietnam appeasement policy. Messrs. Carlson's and Nguyen have sacrificed so much of their own personal time and resources in their endeavour "to bring improved democracy, human rights and religious freedom to the people of Vietnam" they deserve the admiration of all of us.

I am submitting for the RECORD a list that these two gentleman gave to me of ten political prisoners being detained in Vietnam and a statement by Mr. Nguyen to Secretary David Kramer, Assistant Secretary for Democracy, Human Rights and Labor. I hope that the Vietnamese Communist Party quickly responds by doing the right thing and release the prisoners. I also strongly urge Secretary Kramer to follow the advice of Mr. Nguyen so clearly outlined in his statement.

#### ADDITIONAL POLITICAL AND RELIGIOUS PRISONERS BEING DETAINED—MAY 13, 2008

1. Bui Kim Thanh, lawyer of the Democratic Party of VN [DPV], rearrested and placed in a mental institution in Bien Hoa.
2. Ho Thi Bich Khuong, block 8406, sentenced 2 years in jail.
3. Nguyen Hoang Hai Blogger Dieu Cay, Club of VN freelance journalists, arrested in Dalat since 4/19/08.
4. Truong Minh Duc, journalist, VN Populist Party, awaiting trial, arrested in Kien Giang.
5. Nguyen Quoc Quan, Viet Tan Party, awaiting trial scheduled 5/13/08.
6. Nguyen The Vu, Viet Tan Party, awaiting trial scheduled 5/13/08.
7. Somsak Khummi, Viet Tan Party, awaiting trial scheduled 5/13/08.
8. Pham Ba Hai, Bach Dang Giang Group, sentenced to 5 years in jail.
9. Nguyen Ngoc Quang, Bach Dang Giang Group, sentenced to 3 years in jail.
10. Vu Hoang Hai, Bach Dang Giang Group, sentenced 2 years in jail.

STATEMENT BY DR. NGAI XUAN NGUYEN, VICE CHAIRMAN, DEMOCRATIC PARTY OF VIETNAM—SUBMITTED TO SECRETARY DAVID KRAMER, ASSISTANT SECRETARY FOR DEMOCRACY, HUMAN RIGHTS AND LABOR—MAY 16, 2008

On May 29, 2008, you will lead a U.S. delegation to Hanoi to participate in a dialogue on U.S.-Vietnam Human Rights.

As Vice Chairman of the Democratic Party of Vietnam, our Mission is to bring improved democracy, human rights and religious freedom to the people of Vietnam.

Even though Vietnam's economy has undergone dramatic growth in recent years, Hanoi continues its oppression of human rights and religious freedom, just as it has been doing for decades. An ongoing U.S.-Vietnam dialogue can expand understanding between our two countries and peoples while consolidating human rights gains that have been won. However, actions speak louder than words.

Therefore, we respectfully request that you discuss the following major issues with the Vietnamese government during your meetings in Hanoi, May 29:

1. All political and religious prisoners who are still being jailed in Vietnam must be set free, unconditionally. Congressman Dana Rohrabacher placed this list of 85 people in the Congressional Record in 2007, and a copy is available. Ten new activists, list attached, have been recently retained and should be added to this list, including Bui Thanh, a lawyer who has recently been sent to a mental institution. All 95 prisoners should be released, immediately.

2. Condemn the Vietnamese government for arresting and interrogating for more than six hours, Dr. Nguyen Thi An Nhan, and then deporting her on February 15, 2008. Dr. Nhan is a graduate of Harvard University Medical School and is currently a heart surgeon specialist at Stanford University. Her only "crime" was that she is a member of the Democratic Party of Vietnam and was in Hanoi to attend the funeral of Professor Hoang Minh Chinh on February 16, the Founder and Secretary General of the Democratic Party of Vietnam.

3. Unless major changes and improvements are made immediately, the U.S. State Department will recommend that Vietnam be redesignated a "country of particular concern" for its lack of democracy, human rights and religious freedom. Once Vietnam was removed from the CPC list and accepted into the World Trade Organization, human rights and religious freedom in Vietnam significantly deteriorated, as reported by Human Rights Watch on May 8, 2008. Several leaders of the UBCV (Unified Buddhist Church of Vietnam) have been harassed and their pagodas destroyed in Lam Dong, Hue and Quant Tri in 2008. Many Christian leaders have been imprisoned and a major Montagnard Christian demonstration led by Reverend Nguyen Cong Chinh in April 2008 in Gia Lai and Daklak was oppressed by the Vietnam government with dozens of protestors beaten and arrested. Reverend Le Ngoc Thuong, from New Orleans, was arrested and deported to the U.S. while visiting Vietnam in April 2008. Major conflicts between the Vietnam government and Roman Catholic churches have erupted after the Vietnam government stole their land. These are just a few of the recent actions in the last several months.

4. If there is not an improvement in human rights, the U.S. Department of State will recommend that H.R. 3096, The Vietnam Human Rights Act of 2007, be passed in the United States Senate. H.R. 3096, which passed the House on September 18, 2007, condemns the ongoing human rights abuses in

Vietnam, and prohibits increased U.S. non-humanitarian assistance to the Government of Vietnam unless there is verifiable evidence that the Vietnamese government has made substantial progress towards the release of its political and religious prisoners. In addition, this legislation requires that the Vietnam government respect the rights to freedom of religion, freedom of press and returns all confiscated properties.

Again, we in the Democratic Party of Vietnam thank you for your continued efforts to bring about real change in Vietnam. However, talk is cheap, and it is time to see significant actions and results from the government of Vietnam.

#### HONORING CONSTANCE RAU

#### HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 22, 2008

Mr. KILDEE. Madam Speaker, I stand today to pay tribute to Constance Rau as she retires from the Flint Community Schools. A celebration is planned for May 22 to recognize her work and contributions to Flint area youth.

Connie Rau's work with the community began long before Flint Community Schools employed her. From 1975 to 1985 she was a senior therapist with the substance abuse program at Flint Osteopathic Hospital. She became a program manager at Insight Outpatient Chemical Dependency Clinic and then became the director of Children and Adolescent Services with the Genesee County Commission on Substance Abuse Services. It was during this time that Connie also started to write a column in the Flint Journal entitled "Considering Kids" and she was an instructor at Mott Community College. She also was an intern field supervisor for several area universities.

As a member of the Flint Community Schools Youth Projects staff, Connie has had tremendous impact on the children of Flint. She was instrumental in organizing several programs that directly benefited the most vulnerable children in the Flint school system. She coordinates two intervention programs for the Genesee County Family Court, the Youth Projects Diversion and the Youth Projects Diversion—Attendance Court. She established the "Roast and Toast" fundraiser for student activities. She established the "Shoes that Fit" Flint Chapter, the Language Exchange program, and the Teen Female Expo. Working with Quota International of Flint, Connie launched the Cops and Kids program.

Recognized by the Woodrow Stanley Foundation for her work with children, Connie is a co-founder of the Mayor's Committee for National Youth Service Day recognizing the thousands of Community service hours the youth of Flint have contributed to improving the quality of life in their hometown.

In addition to her work with children, Connie is active in Peace Lutheran Church, at various times she has held the positions of Director of Education, Director of Finance, and currently is Director of Stewardship. She is on the Board of Directors for the Intake, Assessment and Referral Center and she is a mentor in the Big Brother, Big Sisters Lunch Buddies program.

Madam Speaker, I ask the House of Representatives to rise with me and applaud the

work of Constance Rau as she retires from the Flint Community Schools. She has spent her life devoted to children and has enriched their lives through her work. All will miss her insight, innovative spirit and enthusiasm for her work and community. However, we know that she will always be meaningfully involved.
